A Plan for Unpaid Carers from 2025 to 2030

	<p>We are writing a new Carers' strategy.</p> <p>A strategy is a big plan for what we will do in the next five years to improve things for carers.</p>
	<p>Unpaid Carers are people who look after someone. Like a parent. Or a child. They don't get paid. And they often give care for lots of hours a week.</p>
	<p>We have made some priorities.</p> <p>Priorities are the most important things for us to do.</p>

	<p>We want to ask questions to help us to check the priorities are right.</p>
	<p>For most questions, please tick the box for your answer.</p> <p>For some questions, there is a space for you to write your answer.</p>
	<p>You do not have to answer all the questions.</p> <p>Please send the survey back by 3rd March.</p>

Carers should be **visible**, feel **valued** and be **supported**.

Visible means that we see what they do.

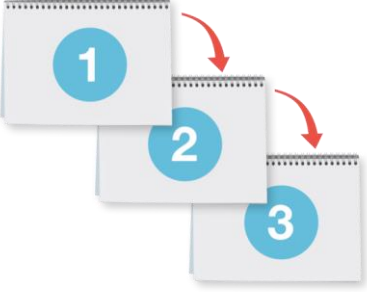

Valued means that we know what they do is important.

Supported means getting the help they need.

Checking the plan works

	<p>We need to measure how well the plan is working.</p>
	<p>This means seeing if our actions make things better for carers.</p>
	<p>We will see how many more carers use information services.</p>
	<p>And how many say they are getting the support they need.</p>

	<p>And how many say the support has helped their wellbeing.</p>
	<p>We will see how any more organisations do the Investors in Carers scheme.</p>
	<p>And how many carers get support when the person they care for leaves hospital.</p>
	<p>We will look at all these for young carers, young adult carers, and adult carers.</p>
	<p>Are these the right things to check?</p> <ul style="list-style-type: none"> <input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Not sure
